5. Nandganj Sihori Sugar Company Ltd. (Subsidiary Company)
 - 1 Unit - Nandganj (Ghazipur) (Closed Sugar Unit)

Brief History:-

- U.P. State Sugar Corporation Ltd. (UPSSCL) was established on March 26, 1971 as a State Government Undertaking to run the sick sugar Units acquired by the State Government, in interest of cane growers and workers, under the U.P. Sugar Undertaking (Acquisition) Act, 1971.
 - Initially 12 Sugar Mills were acquired by the State Government and vested in UPSSCL on July 3, 1971. But the physical possession of 5 sugar mills viz. Barabanki, Bhatni, Khadda, Mohiuddinpur and Sakhoti Tanda could only materialize. UPSSCL got the possession of the remaining 7 sugar mills viz. Amroha, Bijnor, Rampur, Jarwal Road, Burhwal, Ramkola and Lakshmiganj in 1979.
 - In 1984, 12 sugar mills were further vested in UPSSCL viz. Doiwala, Bulandshahr, Meerut, Rohanakalan, Saharanpur, Bareilly, Maholi, Hardoi, Ghughli, Chittauni, Munderwa and Siswabazar.
 - In 1989, 4 more sugar mills were vested in UPSSCL viz. Deoria, Nawabganj, Baitalpur and Shahganj. In the same year, one sugar mill in Pipraich (Gorakhpur) was purchased in an open auction
 - 6 new sugar Units were established by UPSSCL as separate subsidiary Units viz. Kiccha, Chandpur, Chhatta, Raebareli, Nandganj and Ghatampur.
- Thus in all 35 Units were incorporated in UPSSCL. Out of these 35 Units, 5 Units were placed under the management of 4 subsidiaries of UPSSCL and the rest of 30 Units were placed under the direct management of UPSSCL as its Units.
- 02 Doiwala and Kichha Units of UPSSCL were transferred to Uttaranchal Govt in 2002.
- UPSSCL, since its establishment, inherited sickness as most of its Units were set-up in Thirties or even earlier with capacity between 400- 1000 TCD (Tonne Crush per Day). At the time of acquisition, most of the sugar Units were sick, having old and obsolete machinery besides adoption of old out dated technology. The incidence of salaries and wages was also very high due to labour oriented plants and over staffing. Therefore there was an urgent need for its up gradation both in terms of machinery and technology, besides expansion to minimum viable capacity. UPSSCL undertook a modernization, rehabilitation and expansion plan to make its Units technically and financially viable but due to paucity of funds, UPSSCL could undertake the up gradation of only a few of its Units, which resulted in the improved performance by these sugar Units.
- Due to this gradual decline in the financial performance the Net Worth of the Corporation eroded completely and the organization was referred to BIFR on 12.5.1995 under the provision of Sick Industries Companies Act (SICA). UPSSCL was finally declared a sick company on 1995 with directions for finalization of suitable rehabilitation package.
- After several hearing and amendments, BIFR vide order date 30th July, 2001 sanctioned a rehabilitation scheme for UPSSCL. The key impact of the scheme was as follows:

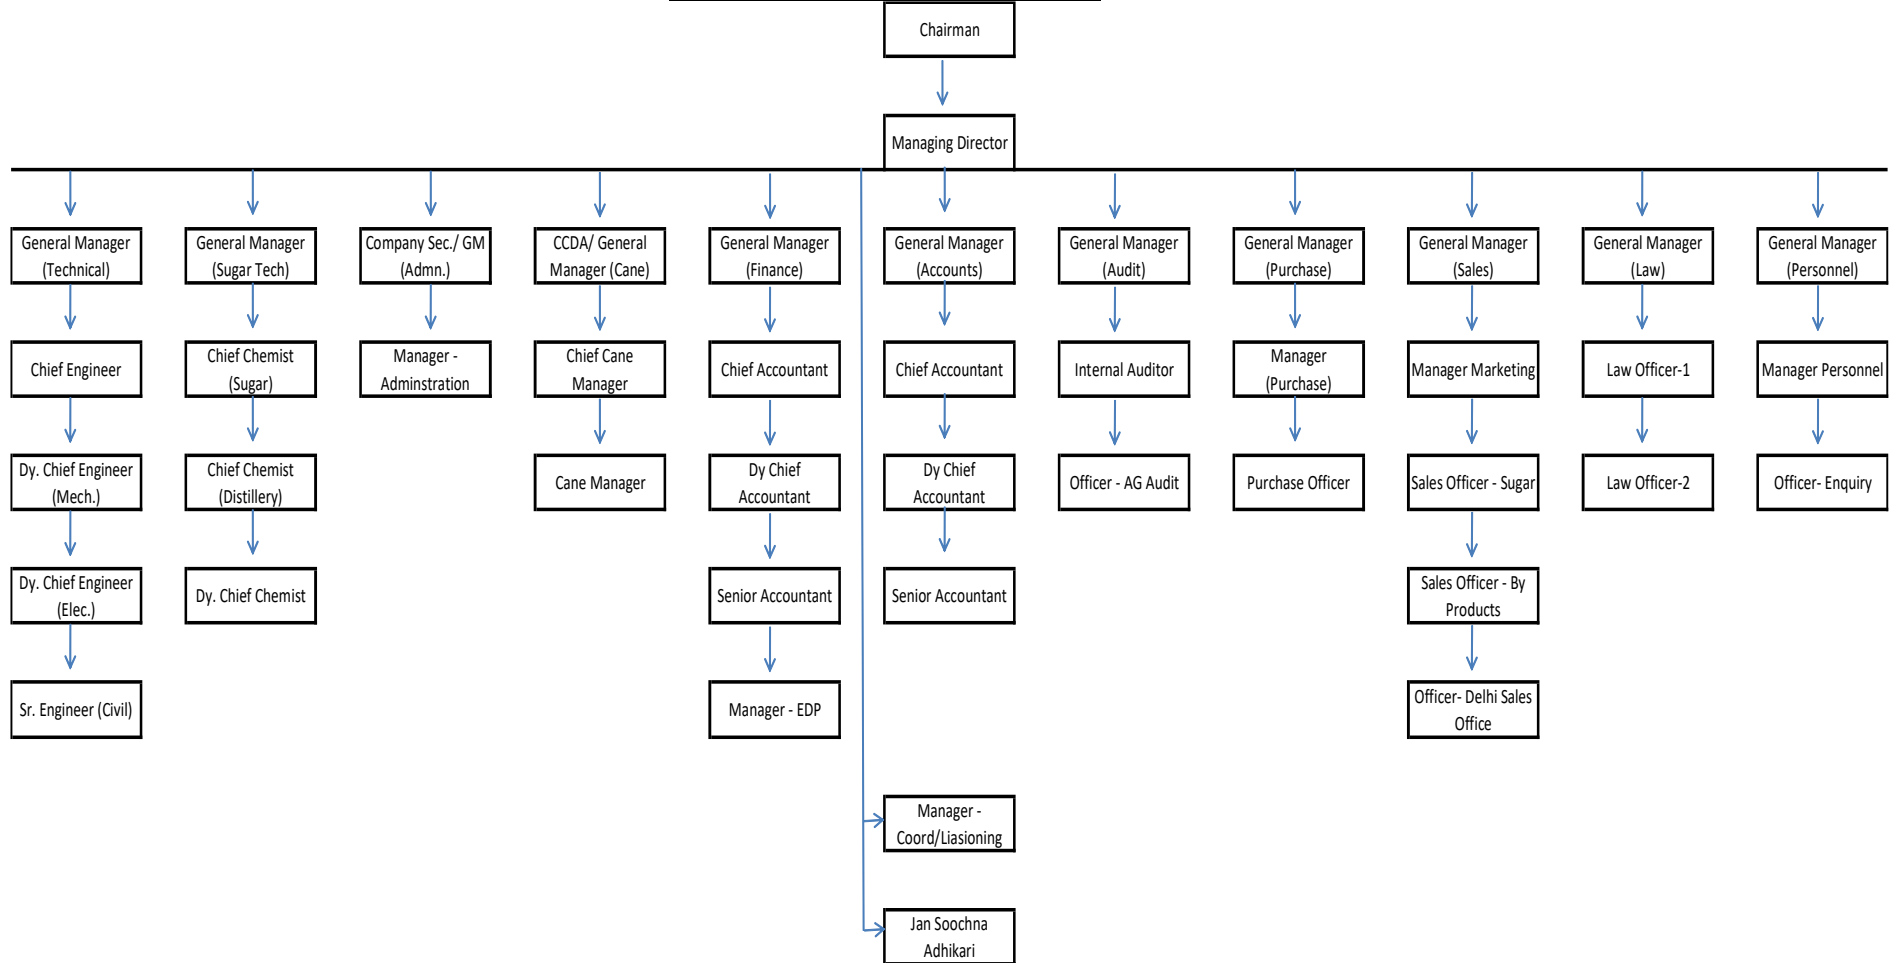

1. UPSSCL retained 11 potentially healthy Units;
 2. 10 already closed Units and 8 unviable Units were transferred to a new subsidiary viz Uttar Pradesh Rajya Chini avam Ganna Vikas Nigam Ltd. (UPRCGVNL);
 3. Doiwala and Kichha Units of UPSSCL were transferred to Uttaranchal Govt;
 4. UPSSCL managed 11 healthy units and UPSSCDC managed 8 unviable and 10 closed Units; and
 5. VRS was implemented for settlement of dues of employees of above 10 closed Units and employees at Head Office
- UPSSCL was declared out of preview of SICA by BIFR vide order dated 08-07-2005.
- Due to lack/ paucity of financial resources, despite dire need, the rehabilitation, modernization and expansion to viable capacity could not be affected in major number of Units. Due to continuing losses 22 Units of subsidiaries of UPSSCL were closed down as follows:
1. 5 Units viz. Bareilly, Maholi, Nawabganj, Barabanki and Nandganj (Subsidiary unit) were closed in the year 1998-99
 2. 6 Units viz. Meerut, Rampur, Hardoi, Ghughli, Chittauni and Munderwa were closed down in the year 1999-2000.
 3. 5 Units viz Bhatani, Ramkola, Deoria, Bhurwal and Shahganj were closed down in the year 2007-08
 4. 3 Units vis. Baitalpur, Pipraich and Laxmiganj were closed down in the year 2008-09
 5. 3 Units viz. Chatta, Raebareli and Ghatampur were closed down in the year 2009-10
- 10 Operating Units viz Saharanpur, Rohanakalan, Sakhotitanda, Bijnor, Chandpur, Bulandshahr, Amroha, Jarwal Road, Siswa Bazar & Khadda and 11 Close Units viz Bareilly, Hardoi, Barabanki, Shahganj, Ramkola, Chittauni, Lakshmiganj, Deoria, Baitalpur & Bhatni were sold in the year 2010-11 as per various GO's issued from time to time by State Government.
- After sale of 21 Units on the directions of State Government land of Raebareli Unit was transferred to Medical Education Department, Government of UP for establishing AIIMS and presently there are 11 Units under UPSSCL.
- Apart from 11 units UPSSCL has got in its possession approx 22 Hectares of land belonging to Hardoi Unit.
